

Green & the Law: Legal Considerations & Implications Associated with Building Sustainably

Learn from experts and ask the questions you *need* to know about Green & the Law. USGBC long beach branch hosts a presentation, lunch, and panel discussion at Long Beach City College, featuring:

Presenters/Speakers:

- Introductory session – Lance Collins -- (for a background on LEED and USGBC)
- Pre-construction planning session facilitated by Marcia Gordon and Eric Altoon, Attorneys with HRO, both LEED AP's
- Post construction considerations facilitated by Sara D. Harris with Rutter Hobbs & Davidoff Incorporated and Robin Yeager with Yeager Consulting
- Panel discussion which will also include a developer, an owner, an architect, a general contractor and a sub-contractor

Date: Tuesday – March 16, 2010

Event Location: Long Beach City College Foundation Building, 4900 Conant Street, Long Beach, CA 90808 Rm 210 (FYI There's two buildings – it's the second from the street)

Time: Registration 11:30AM | Intro Session on LEED & USGBC 12AM-1PM | Noon Lunch | 1:30 until 3:30 PM Presentations and Panel Discussion
